This feed contains no more than 2.50% Sodium Bentonite

WARNING: This feed contains added selenium at 0.40 mg/kg.
 Do not feed as more than 75.16% of total daily ration.

Important Considerations:

- Do not feed free-choice
- Feed at regular times (at least twice daily).
- Changes in the rate of feeding should not exceed one pound per day for each horse
- Feed along with at least 1-1.5% of horse's body weight of good quality hay or the equivalent in pasture to make a complete ration

Have plenty of fresh, clean water available at all times. Prevent the rapid eating by the horse of any feed stuffs.
