Vitamin E	(Min)	100 IU\LB

## Net Weight

**40 Lbs (18.8)KG**

**WES**

## List of Ingredients

Stabilized Rice Bran, Calcium Carbonate, Vitamin E Supplement.

## FEEDING DIRECTIONS PER DAY

Esteem Glo Stabilized Rice Bran is naturally high in essential fats and vitamins, and can be fed at any stage in your horse's life. Adding fat to the diet is a safe and effective means of providing the extra calories your young horses need for growth, meeting the demands of your working performance horse, and can quickly bolster the body condition of underweight horses. Dietary fat also supports a soft and shiny coat. Add Esteem Glo Stabilized Rice Bran to your current feeding program as outlined in the table below.

**Weanlings:** 2 oz per 100 pounds of body weight per day

**Yearlings:** 2 oz per 100 pounds of body weight per day

### Two and Three Year Olds

Not In Training  $\frac{3}{4}$  to 1 pound per day

In Training 1 to 1½ pounds per day

### Mature Horses (Based on a 1,000 lb Horse)

Not in Work  $\frac{1}{2}$  to 1 pound per day

Light Use 1 to 1½ pounds per day

Heavy Use 1 to 2 pounds per day
